Aetna- Wellesley and Billerica

- Aetna's mission is to build a healthier world by helping people realize their ambitions and achieve their goals, one person and one community at a time. We are a leading diversified health care benefits company that is helping to transform health care by providing and advancing the information, tools and resources people need to achieve their best possible health.
- At Aetna, you can learn, grow and test yourself in a culture of continuous improvement - all while doing important work on behalf of others and your career. We offer more than 100 types of jobs, most with dedicated professional development and career tracks. Our salaries and benefits are market-competitive, with bonuses for high achievers. And our benefits come with lots of choices and are all aimed at helping you achieve health and financial well-being. We increased our U.S. minimum base wage to \$16 per hour for both hourly and salaried employees. And eligible Aetna employees can qualify for an enhanced medical benefits program that could save some families thousands of dollars.

- THESE ARE MID-HIGH LEVEL IT/COMPUTER ENGINEER/ PROGRAMMING/ MARKETING/ SALES AND MORE!
 - If you have job seekers that fit, please send them to Jennifer McKenna from the Framingham American Job Center @ Jennifer.dercole@detma.org or 508-861-7993x722 for more information
